Service Spotlight

Activist Cecelia (Cece) Doucette, MTPW, BA

Technology Safety Educator will be visiting us in April from MA! Her focus is getting WIFI out of schools. Call us if you want her to speak at your local school in California! (818) 851 9252. https://www.wirelesseducation.org/

We are still in desperate need of donations. March 14th CA-IR is having a garage sale to raise funds. Please email us if you have items to donate at info@ca-ir.org OR you can always donate financially here. www.ca-ir.org

5G Activist we ARE winning the WAR!

Because we CA-IR

Updates

- WHY? Because even the FDA, assigned by the FCC to do their research, published this review just this month linking RF to Cancer https://t.co/FBsbiFEoYR
- All CA-IR cities cared enough to take part in the global protest against 5G see www.ca-ir.org
- San Clemente negotiates a 500 ft setback from schools and residential areas.
- **Carlsbad** made an excellent educational video on what small cell facilities actually look like <u>https://www.youtube.com/watch?v=jkrTvliXuic&t=5s</u>
- Simi Valley making strides in their ground breaking law suit www.vcir.org
- **Topanga's** Liz Barris is running for Congress!!! Running on the 5G platform. Please donate and volunteer! <u>https://lizno5gforcongress.com/</u>
- **Pasadena**, watch the excellent oral arguments against the FCC, this is why we are winning the war <u>https://www.ca9.uscourts.gov/media/view_video.php?pk_vid=0000017001</u>
- Internationally: Switzerland and Slovenia are rolling back 5G
- Time for a funny "**Kramer-Confused**", another blunder, this time he cites the TCA as over-riding the ADA, not realizing that TCA Sec. 255 is all about ADA's preferential status in the act. https://www.youtube.com/watch?v=T10FDSG30FA

THANK YOU FOR BEING ACTIVELY ENGAGED! IF YOU AREN'T GET ENGAGED! info@ca-ir.org
